## 2010 SUPER STAKES SIRE ENROLLMENT AGREEMENT

### ENROLLMENT REQUIREMENTS

- ◆ PKC Permanent Registration.
- ◆ Complete DNA Profile - Stud Dog must have a COMPLETED DNA Profile on file at the PKC Office to allow pups sired by him to be correctly matched with him before being certified eligible to compete for the Super Stakes Championship(s). Cost of DNA Profile will be \$40 to any new dog entering the program and paying the \$50 initiation fee.
- ◆ Dog cannot be taken out of 2010 Super Stakes Program unless he dies (registration papers must be returned to the PKC office) or becomes sterile (veterinarian statement required).
- ◆ If dog should be sold during 2010 Super Stakes Year, the member enrolling the dog **REMAINS RESPONSIBLE** for payment unless the new owner assumes liability via written documentation to the PKC Office from the new owner. Form provided by PKC on request.
- ◆ Any unpaid fees from previous years enrollment must be satisfied before enrollment in the current year's program is accepted.
- ◆ Upon certification and qualification by Pup's Owner, each pup sired by a Super Stakes Sire will be eligible to compete in the Baby Derby Championship, Baby Super Stakes Championship, Junior Super Stakes Championship and the Senior Super Stakes Championship of the respective division in which the pup was born.

### STUD OWNER BENEFITS

- ◆ **Stud Owner Award** - Ten (10%) percent of amount(s) pups sired by stud dog earn in the Baby Super Stakes Championship, the Junior Super Stakes Championship and the Senior Super Stakes Championship.
- ◆ Eligible to compete for Stud Dog of The Year as outlined in the PKC Breeders' Association By-Laws.
- ◆ Advertising as outlined in PKC Breeders' Association By-Laws.
- ◆ A computer listing of all litters registered with PKC, sired by his stud dog upon written request.
- ◆ A computer listing of all pups permanently registered with PKC along with the name of their owner upon written request.
- ◆ A monthly listing in PROHOUND of his stud dog's participation in the Super Stakes Program.
- ◆ A quarterly listing of the current top three (3) reproducing males and females of each recognized Breed in PROHOUND.

### BREEDING CERTIFICATE REQUIREMENT

**SIRE OWNER WILL COMPLETE THE BREEDING CERTIFICATE PORTION OF A LITTER ENROLLMENT FORM, PROVIDE BREEDER WITH THE ORIGINAL, AND MAIL SECOND COPY (YELLOW COPY), ALONG WITH DNA SAMPLE FOR FEMALE, TO PKC WITHIN FIFTEEN (15) DAYS AFTER BREEDING.
